Full-Stack Web Development Course

Sela College

📅 06/2022 - 04/2023 📍 Bnei-Brak, Israel

Grade
100 / 100

High-School Diploma - Computer Science

HaMayaan High-School

📅 09/2016 - 06/2019 📍 Rishon LeZion, Israel

Grade
100 / 100

EXPERIENCE

Retail Sales Representative

Bug Multisystem

📅 04/2023 - Present 📍 Bat-Yam, Israel

- Increased sales by offering advice on purchases and promoting additional products.
- Worked with loss prevention in monitoring shopper behavior.
- Generated brand awareness and positive product impressions to increase sales.

PROJECTS

OpenAI Article Summarizer

🔗 https://github.com/maorarye10/ai-article-summarizer

An AI Article Summarizer using ChatGPT-4, providing users with concise summaries of articles.

- Implemented a fully responsive user-friendly web interface using React.js, Redux, and TailwindCSS.
- Incorporated a smart article search history feature for efficient re-summarization.
- Enhanced performance by minimizing redundant API calls, contributing to a seamless user experience.

CHAT-IT

🔗 https://github.com/maorarye10/chat-it

A responsive online chat application, showcasing proficiency in full-stack development.

- Employed Node.js for the back-end development, demonstrating expertise in server-side programming.
- Leveraged MongoDB as the database for efficient data storage and retrieval.
- Implemented real-time communication features using web sockets (Socket.IO) for instant messaging functionality.
- Ensured data security with the integration of bcrypt for password hashing.

SKILLS

Client-Side

HTML CSS JS Angular

React Redux TypeScript

Bootstrap Tailwind

Server-side

C# .NET .NET Core MSSQL

NodeJS ExpressJS MongoDB

REST API

Development & Operations

GIT Docker Azure

STRENGTHS

Team Player
Ability to work in a team and collaborate effectively.

Quick Learner
Willingness to learn and adapt to new technologies with ease.

Great Communicator
Great communication skills.

MILITARY

Combat Engineer

IDF

📅 12/2019 - 02/2023
